Kyiv

"19" September 2026

Citizen of Ukraine Bilyi Vladyslav Volodymyrovych (born February 14, 1997, taxpayer registration card No. 3547408894), hereinafter — the "Licensor", of the one part, and

Individual entrepreneur (physical person-entrepreneur) Bilyi Volodymyr Viktorovych (taxpayer registration card No. 2469416512, date and number of the state registration record: 201160000000083555 dated 29.07.2026), hereinafter — the "Licensee", of the other part, together hereinafter — the "Parties", and each individually — a "Party", have entered into this License Agreement (hereinafter — the "Agreement") as follows.

TERMS USED IN THE AGREEMENT

- **Licensor** — the person who holds the exclusive property rights to the copyright works and the right to their own name and image, and who has the right to grant a license for their use to other persons.
- **Licensee** — the person who, under this Agreement, receives a defined set of rights to use the copyright works (the Courses and their constituent elements) of the Licensor and the rights to use the Licensor's name and image.
- **Non-exclusive license** — a license to use copyright works that does not preclude the Licensor from using those works in the field to which the license is limited, or from granting other persons licenses to use those works in that field.
- **Course** — a collection of audiovisual works, a structured set of materials and digital content (video lessons, PDF guides, practical assignments) on a topic defined by the Licensor.
- **Site** — the web resource at motophd.com and its language versions, through which the Licensee makes a public offer to purchase information and consulting services, which include the right of third parties (users/consumers) to access the Course materials in viewing mode.
- **Public Offer Agreement** — the agreement concluded by the Licensee with end consumers (users) and published on the Site, available for review by an indefinite number of persons.

For other terms not defined in this Agreement, the definitions provided for by the current legislation of Ukraine shall apply.

1. SUBJECT OF THE AGREEMENT

- 1.1.** Under the terms of this Agreement, the Licensor grants the Licensee a license to use copyright works — collections of audiovisual works, video materials of courses, and accompanying digital content created by the Licensor (hereinafter — the "Courses"), a list of which as of the date of conclusion of the Agreement is set out in Annex No. 1, as well as consent to the use of the Licensor's name, image, and biographical information in the manner specified in Section 5 of this Agreement.
- 1.2.** On the basis of the license granted, the Licensee acquires the right to sell access to the Courses to end consumers by concluding its own agreements (in the form of a public offer) for the provision of information and consulting services through the Site, acting in its own name and at its own expense.
- 1.3.** A non-exclusive license does not constitute the alienation (transfer) of intellectual property rights to the Courses. The Licensor retains all property rights to the Courses.
- 1.4.** Each Course to which the non-exclusive license under this Agreement extends and which is transferred to the Licensee for sale through the Site after the conclusion of this Agreement shall be deemed included in the subject matter of this Agreement and in Annex No. 1 from the moment such digital content is actually transferred to the Licensee and Annex No. 1 is amended.

2. TYPE OF LICENSE, TERRITORY AND TERM

- 2.1.** The license under this Agreement is non-exclusive: the Licensor retains the right to independently use the Courses, including independently selling access to them to end consumers, and to grant rights to use the Courses to other persons, including other distributors, without the Licensee's consent.
- 2.2.** The territory of the license — the entire world, with the exception of the Russian Federation and the Republic of Belarus.
- 2.3.** The Agreement is concluded for a term of 1 (one) year from the date of signing and is automatically renewed for each subsequent annual term unless either Party notifies the other Party in writing or electronically of its intention to terminate it no later than 30 (thirty) calendar days before the end of the current term.
- 2.4.** Within the scope of the rights granted, the Licensee has the right to: reproduce the Courses on the technical means necessary for their placement on the Site and the Platform (the information system the Licensee uses to provide consumers with access to course materials); distribute access to the Courses by selling it to end consumers; publicly display excerpts of the Courses for marketing and advertising purposes; carry out technical adaptation of the materials (video compression, adding subtitles, placement on various technical platforms) without changing their content; and translate the titles and descriptive materials of the Courses into other languages for the needs of multilingual versions of the Site.
- 2.5.** Within the scope of this Agreement, the Licensee has the right to grant end consumers (users) the right to access, view, and use the Course materials (end non-exclusive sublicenses — rights to use the digital content) under the terms of the Public Offer Agreement. The granting of any other sublicenses or the transfer of Course materials to the disposal of third parties (including for reselling or commercial distribution) without the Licensor's prior written consent is prohibited, except for engaging contractors technically necessary for the operation of the Site and the Platform (hosting, mailing services, payment systems, etc.).

3. REMUNERATION

- 3.1.** For the grant of rights under this Agreement, the Licensee shall pay the Licensor remuneration in the amount of 25% (twenty-five percent) of the income (revenue) actually received by the Licensee from the sale of the Courses to end consumers for the relevant calendar year. For the purposes of this clause, income (revenue) is defined as the total amount of funds received by the Licensee from consumers (users) for the Courses during the calendar year, without deducting payment system fees, bank acquiring fees, or other expenses of the Licensee.
- 3.2.** The remuneration is paid once a year, based on the results of the completed calendar year, no later than January 31 of the year following the reporting year, on the basis of an income report drawn up by the Licensee in free form.
- 3.3.** For the first (incomplete) calendar year of this Agreement, the remuneration is calculated based on the income actually received by the Licensee for the period from the date of conclusion of this Agreement to December 31 of the same year, and is paid within the period established by clause 3.2 of this Agreement.
- 3.4.** Payment of the remuneration under this Agreement is made net of personal income tax and the military levy, which the Licensee, as a tax

agent, is obliged to withhold and pay to the budget of Ukraine in the manner established by the Tax Code of Ukraine.

3.5. The remuneration is paid in hryvnias to the Licensor's bank account.

3.6. For late payment of the remuneration, the Licensor has the right to demand that the Licensee pay a penalty in the amount of double the discount rate of the National Bank of Ukraine in effect during the period of delay, calculated on the overdue amount for each day of delay. The penalty is accrued and paid only if the Licensor makes a corresponding demand.

4. SALE OF COURSES TO CONSUMERS

4.1. The party to the service agreements with end consumers is the Licensee. The Licensor is not a party to such agreements and bears no liability to consumers for their non-performance or improper performance by the Licensee, except in cases where the information and consulting service includes the conduct of individual consultations by the Licensor as the author of the Course.

4.2. The Licensee independently determines the prices for the Courses and Packages, carries out marketing and advertising, accepts payment, provides consumer support, handles inquiries and refunds in accordance with the Public Offer Agreement, and maintains accounting and tax records of transactions related to the sale of Courses as required by law.

4.3. A participation Package that includes an individual consultation with the consumer (user) in the form of video calls requires the Licensor's personal participation and obliges the Licensor to conduct such consultations, agreeing on the date and time directly with the consumer (user).

4.4. The Licensee undertakes to promptly, but no later than 1 (one) business day from the moment of sale of a Package with feedback, transfer to the Licensor the contact details of the relevant consumer necessary to schedule the consultation.

4.5. The Licensor's failure to comply with the terms of service provision to the consumer (user) under a participation Package that includes individual consultations by the Licensor, which results in a refund to the consumer (user) under the Public Offer Agreement or mandatory legal requirements, is grounds for the Licensee to withhold the corresponding amount from the next remuneration payment to the Licensor, of which the Licensee shall notify the Licensor in writing or electronically.

5. THE LICENSOR'S RIGHT TO NAME AND IMAGE

5.1. The Licensor grants the Licensee consent to use the Licensor's name, photographic and video images, as well as biographical information on the Site and in the Licensee's marketing materials (social media, advertising, presentation materials) related to the promotion and sale of the Courses, in accordance with Articles 296 and 308 of the Civil Code of Ukraine.

5.2. The use specified in clause 5.1 is permitted solely for purposes related to activities under this Agreement. Use of the Licensor's name and image for other purposes, including advertising the goods or services of third parties, requires the Licensor's separate prior written consent.

5.3. The Licensee has the right to create new photo and video materials featuring the Licensor for the purposes of promoting the Courses only upon prior agreement with the Licensor on the date, format, and content of the shoot.

5.4. The consent granted under this Section is valid for the term of this Agreement. Upon termination of the Agreement, the Licensee is obliged to cease, within 30 days, any further use of the Licensor's name and image in new materials; materials published before termination of the Agreement (including social media posts distributed by third parties) may not be subject to recall if this is technically impossible or requires disproportionate effort.

5.5. The Licensor retains the right to withdraw consent to the use of the Licensor's image early on the grounds provided for by Article 308 of the Civil Code of Ukraine, with reimbursement to the Licensee of documented expenses incurred in connection with the previously planned use, provided the withdrawal is not caused by unlawful actions of the Licensee.

6. RIGHTS AND OBLIGATIONS OF THE LICENSOR

6.1. The Licensor is obliged to: provide the Licensee with the materials and constituent elements of the Courses in the scope and within the timeframes agreed by the Parties; promptly notify of updates or corrections to the materials; personally conduct individual consultations with consumers (users) in accordance with clause 4.3 of this Agreement; and warrant that the Licensor is the sole author and rights holder of the transferred materials and that their use by the Licensee in the manner provided for by this Agreement does not infringe the intellectual property rights or other rights of third parties.

6.2. The Licensor has the right to: receive from the Licensee a report on Course sales upon first written request, but no more than once a quarter; give prior approval for material changes to the structure or content of the Courses that affect their substance; and receive remuneration under this Agreement.

7. RIGHTS AND OBLIGATIONS OF THE LICENSEE

7.1. The Licensee is obliged to: perform the terms of this Agreement in good faith; ensure the technical serviceability of the Site; not make changes to the content of the provided materials without the Licensor's written consent, except for technical adaptation expressly permitted by this Agreement; maintain quality standards that do not harm the business reputation associated with the Licensor's name; and pay the remuneration in a timely and full manner in accordance with Section 3.

7.2. The Licensee has the right to independently determine the design and technical layout of the Site and the marketing strategy for promoting the Courses, and to engage contractors for technical support of the Site and payment processing.

8. CONFIDENTIALITY

8.1. The Parties undertake not to disclose to third parties the terms of this Agreement (including the amount and procedure for payment of remuneration), sales financial figures, and other information that became known to them in connection with the performance of this Agreement and that has the characteristics of confidential information, except where disclosure is required by law or occurs with the prior written consent of the other Party. This obligation remains in effect for the term of the Agreement and for 2 (two) years after its termination.

9. OTHER TERMS OF THE NON-EXCLUSIVE LICENSE

9.1. Since the license under this Agreement is non-exclusive, the Licensor has the right, during the term of this Agreement, to enter into agreements for the use of the same Courses with other persons (including other distributors), and to independently sell access to the Courses without the Licensee's consent and without any obligation to notify the Licensee of such agreements.

9.2. The Licensee shall not sell through the Site courses by other authors that directly compete with the Courses in content and target audience without the Licensor's prior written consent.

10. LIABILITY OF THE PARTIES

- 10.1.** The Licensor is responsible for the accuracy and originality of the materials provided and for the absence of infringement of third-party rights (including rights to musical works, images, or other objects used in the Course materials), and shall compensate the Licensee for documented losses caused by breach of this warranty, including reasonable expenses incurred in connection with third-party claims.
- 10.2.** For the unlawful use of materials, name, or image of the Licensor beyond the scope of the rights granted by this Agreement, the Licensee bears liability established by the legislation of Ukraine and is obliged to compensate the Licensor for losses caused.
- 10.3.** If a third party's infringement of intellectual property rights to the Courses is discovered (including unlawful distribution of materials), the Party that discovered such infringement shall promptly notify the other Party. Protection of rights is initiated by the Licensee, as the person carrying out the commercial sale of the Courses, upon prior agreement with the Licensor; expenses incurred in connection with the protection of rights and any compensation received shall be divided equally between the Parties, unless they agree on a different division in a specific case.

11. TAXATION AND SETTLEMENT PROCEDURE

- 11.1.** The Licensee is a single tax payer of the third group and is not a value-added tax payer.
- 11.2.** Payment of the remuneration is executed on the basis of this Agreement without drawing up a separate act of services rendered, unless the Parties agree otherwise; the Licensee withholds and remits to the budget the personal income tax and military levy in accordance with clause 3.4 and reflects the remuneration paid in its tax reporting in the manner established by law.

12. TERM AND TERMINATION OF THE AGREEMENT

- 12.1.** The Agreement enters into force on the date of its signing by the Parties and remains in effect in accordance with clause 2.3.
- 12.2.** The Agreement may be terminated early: by mutual written consent of the Parties; unilaterally — in the event of a material breach by the other Party of the terms of the Agreement (including a delay in payment of the remuneration of more than 30 days, or systematic — three or more times — failure by the Licensor to fulfill its obligation to personally conduct consultations) by written notice 10 (ten) business days before the date of termination, if the breach is not remedied within that period; unilaterally by the Licensor — in the event that the Licensee loses its status as an individual entrepreneur or ceases its entrepreneurial activity.
- 12.3.** Upon termination of the Agreement, the Licensee is obliged, within 10 business days, to stop selling new access to the Courses and remove the relevant sections from the Site. Access for consumers who paid for a Course before the date of termination of the Agreement is preserved in accordance with the terms of the Public Offer Agreement, since the corresponding obligations to consumers arose before the termination; the Parties shall settle accounts for the period up to the date of termination of the Agreement in the usual manner.
- 12.4.** The rights granted under Section 5 of this Agreement shall terminate in the manner established by clause 5.4.

13. FORCE MAJEURE

- 13.1.** The Parties shall be released from liability for full or partial non-performance or improper performance of obligations under this Agreement if it resulted from force majeure circumstances.
- 13.2.** Force majeure circumstances under this Agreement shall mean any circumstances external to the Parties that arose through no fault of the Parties, beyond the will and desire of the Parties, and that could neither be foreseen nor prevented, including natural disasters, technogenic and anthropogenic accidents, circumstances of public life, as well as the issuance of acts by public authorities and local self-government bodies, other lawful and unlawful prohibitions by such bodies that make it impossible for the Parties to perform their obligations under this Agreement or that impede such performance, etc.
- 13.3.** A Party that is unable to properly perform its obligations under this Agreement as a result of force majeure circumstances must notify the other Party in writing (no later than 5 (five) business days from the date of occurrence of the force majeure circumstances) of the existing obstacles and their impact on the performance of obligations under this Agreement. In the event of failure to notify or untimely notification of the occurrence of force majeure circumstances, the affected Party shall not be entitled to invoke non-performance or untimely performance of its obligations under this Agreement due to force majeure circumstances.
- 13.4.** If force majeure circumstances continue for 3 (three) months and show no signs of ceasing, this Agreement may be terminated by either Party by sending the other Party written notice thereof.
- 13.5.** The existence of force majeure circumstances must be confirmed by the competent authority of the country in which such force majeure circumstances arose.

14. APPLICABLE LAW AND DISPUTE RESOLUTION

- 14.1.** This Agreement and the relations of the Parties are governed by the legislation of Ukraine.
- 14.2.** Disputes relating to this Agreement shall be resolved through negotiations; if agreement is not reached within 30 days, the dispute shall be resolved in court in accordance with the legislation of Ukraine.

15. FINAL PROVISIONS AND DETAILS OF THE PARTIES

- 15.1.** This Agreement is drawn up in the Ukrainian language in the form of an electronic document or in two counterparts having equal legal force, one for each Party.
- 15.2.** By signing this Agreement, the Parties have agreed that correspondence between the Parties or their representatives, carried out electronically (by e-mail, messengers, etc.) in performance of the provisions of this Agreement, shall have due legal force in the event of disputes regarding the performance of this Agreement and may be used as evidence. The relevant e-mails and/or other correspondence of the Parties, scanned and electronic copies of documents sent by the Parties in performance of this Agreement, including copies of the Agreement itself, its annexes or additional agreements thereto, invoices, and acceptance certificates sent by e-mail, shall have proper legal validity and shall not require execution in simple written form.
- 15.3.** Documents drawn up and signed electronically with valid electronic signatures of authorized persons and the seals of the Parties (if any) are recognized by the Parties as duly executed originals of primary documents and have the same legal force.
